The National flag is a horizontal tricolour of deep saffron (kesaria) at the top, white in the middle and dark green at the bottom in equal proportion. In the centre of the white band is a navy-blue wheel which represents the chakra. The top saffron colour, indicates the strength and courage of the country. The white middle band indicates peace and truth with Dharma Chakra. The green shows the fertility, growth and auspiciousness of the land. The chakra has 24 spokes that depicts that there is life in movement and death in stagnation. The design of the National Flag was adopted by the Constituent Assembly of India on 22 July 1947.

Dear sponsor All Pro Builders, Inc:

I am very glad to write you! I hope that you are fine. I want you to know that I am in 5th grade, and my school's name is "Escuela Jose Marti". I have lots of friends but my best friend is Alicia. We met when we both were in 2nd grade, she is a very nice person and we like to play basketball. Alicia doesn't go to my church or to the project. Do you have a best friend? Please pray for me that I may pass my school grade; and for my family that God blesses us with all we need. When we celebrated the "Letter Day" we prayed for all the sponsors and I prayed for you. I say good bye to you with fond.

Sincerely yours,
Doris Carolina Mejia Mendez

It's an honor to write to you, I hope you're blessed, when I was in school I got up at 7 in the morning but now I am on vacation and I do it at 7.30, in the mornings I help my sister clean the house and I feed the dogs and in the afternoon I take my notebooks and study, for an hour, then I play soccer with my friends, I also watch Tv, I like channel 24, because I watch Jorge el Curioso, or El Chavo, I go to bed at 8, my family and I go to church on Tuesdays,

I went to school from 7.30 to 1.30, it's very nice because I learn many things

I go to the Student Center on Thursdays and Friday from 1.30 to 5, it's nice because they teach us values, to respect our parents and we will have long life
